Dear Madam:

Applicants request the information on Information Disclosure Statement (PTO/SB/08A) filed on January 4, 2006 be corrected. Given the timelines of this request before the issuance of the final Office Action, Applicants believe the United States Patent Office can effect such a correction prior to the issuance of any patent on the application.

The PTO/SB/08A which was filed on January 4, 2006, a copy of which is attached hereto, has an error in the year of the publication of Cite No. CP (TRUSCOTT R. J. W., et al., "The state of sulphhydryl groups in normal and cataractous human lenses", Exp. Eye Res., 1997, Vol. 25, pp. 139-148). It was inadvertently indicated as 1997. The correct year of the publication is 1977.

A copy of the PTO/SB/08A reflecting the correction is attached along with the copy of the Information Disclosure Statement filed on January 4, 2006.

Applicants respectfully request that all pertinent U.S. Patent and Trademark Office records relating to the subject application be changed to reflect the correction.

It is believed that no fee(s) is required for this submission. However, the Commissioner is authorized to charge any deficiency of up to \$300.00 or credit any excess to Deposit Account No. 04-0100.
